October 5, 2022

Dear Patients,

After much consideration I write to tell you that I will end my employment with Tucker Psychiatric Clinic December 16, 2022.

Unfortunately, my partners are unable to accept many new patients. I suggest that for continued treatment you consider checking with your health insurance carrier for recommendation of other psychiatrists in the area or with your primary care physician. Tucker Psychiatric Clinic will be able to transfer your records.

Before I leave, you may want to schedule an appointment so we can make sure you have no lapse in medication or treatment.

I wish you well for the future.

Sincerely,

Jason P. Kudurogianis, D.O.
